

The Garden Under the Reservoir

120-minute plan · 4 players · Make time and supplies count

A lowering reservoir reveals a memorial garden. Its caretaker has gone down with a trolley while a premature refill order counts toward release.

Content notice: Water and memorial grief. Everyone stays on marked firm stairs; no swimming or dangerous mud crossing is required.

At the table

Describe what your character tries and the help they offer. Ask the GM what a choice will cost before committing. The group may pause, change a detail or stop. Write names, promises and unanswered questions on paper.

Reservoir rim

Ropes mark the firm stair above exposed mud.

Schedule office

Two notices share a date but carry different sequence numbers.

Dry stair

A narrow firm stair follows a cleaned rail.

Sunken garden

Carved stone flowers border a memorial tablet.

Refill valve station

A keeper waits beside the numbered maintenance tags.

Stone overlook

A firm terrace offers a last view of the garden.

A dry-window work order

Two straps. Position trolley: one turn. Secure memorial: one turn and one strap. Copy garden plan: one turn and one strap. Raise trolley: one turn. Low beds close at one turn remaining.

Try this: Plan a sequence with a retreat and allocate both straps.
